- This worksheet is intended for supplemental use only. The University will use your Academic Requirements Report (ARR) to track your graduation requirements, including those for your minor. Please continue to check your ARR for accuracy.
- If your ARR requires a correction, please submit an [ARR Correction Form](#).
- Your [Degree Planner](#) (in mysusm.edu) will display the following requirements in the University’s recommended sequence.
- All courses used for the minor, including preparation for the major must be completed with a grade of C (2.0) or better.
- All non-articulated courses MUST be reviewed and approved in advanced by a faculty advisor.
- At least 6 units counted toward the minor cannot be double counted toward the student’s major.
- The minor must contain at least 6 units beyond those used for major requirements and other minors (APC 265-03).
