Hello,

Video production is a very small part of what we do in the Communication department. I find it odd that it is being offered under Education. I would be okay with this as a summer course.

Good afternoon,

David Barsky has reviewed the attached Extended Learning topics course – Video Production in K-12 Education – and would like you to review it also. Please let us know if you have any comments or concerns regarding this course.

Thanks,
Virginia

Hi Virginia,

I reviewed the course proposal and it seems to me this is something that belongs somewhere between VPA and Communication. Next thing you know we will have Home Economics and video where they want to do the cooking shows.....

Best,

Marcos
