Dear Student Philanthropy Fund Donors:

Each semester, hundreds of CSUSM students are filled with exhilaration and relief when they open their scholarship award letters. The messages in those letters are of hope and generosity.

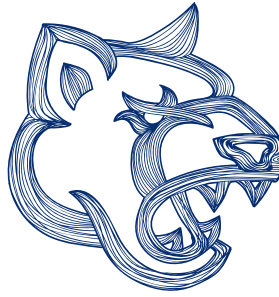

Thank you for providing that experience for our students with your thoughtful investment in endowed scholarships. I hope that you take great pride in knowing that you are transforming the lives of CSUSM students. Your support allows students to participate in their communities, establish financial security, and thrive in college.

The Student Philanthropy Fund Scholarship is also a powerful demonstration of your commitment to CSUSM. Last academic year, CSUSM awarded more than \$1.2 million in scholarship support to students. You played a significant role in helping us achieve this accomplishment.

As we reach the close of our *Forward Together* campaign, I can't help but be grateful for you, and what you have done to help lay the foundation for this campaign's success.

With my deepest appreciation,

**Major Human Development
Student Philanthropy Endowed Scholarship**

To the Student Philanthropy Fund donors,

Thank you for awarding me with the Student Philanthropy Fund scholarship this year. I was overjoyed to learn that I was selected as the recipient!

I am a Human Development major with an emphasis in health services. I am a senior and plan to graduate in the Summer of 2019. After earning my BA, I plan on pursuing my Master's degree in Occupational Therapy.

Thanks to this generous award, I am one step closer to achieving my academic goals. You have helped to reduce the burden of student loans.

One day soon, I hope to get the opportunity to give back to a student in need, just as you have helped me.

Sincerely,

Kyra
