EXTENSION COURSE PROPOSAL FORM

In planning the components of our Extended Studies program at Cal State San Marcos, this office consults closely with the academic colleges and departments to determine the suitability of course content, teaching methods and instructor qualifications. To assist us in evaluating your proposed course for credit, please submit this completed form—along with Form X: New Course Non-degree Credit—to our office as soon as possible. Questions before you submit? Call (760)750-4020.

Course Title: NURS 1007 Senior BSN Student Residency Practicum

Course Description:
This course is designed for the generic or accelerated BSN nursing student who has been selected for a residency program at a Palomar Pomerado Health Hospital (PPH) to be completed in the last two semesters of their nursing program. This course is the clinical practicum component of the residency program to prepare the student for possible employment in the Summer/Fall 2011. The student nurses will work in a 1:1 preceptorship with a PPH RN in a specialty area in the acute care setting. This will allow the student to improve and practice their clinical skills. This course will contain a minimum of 180 clinical hours. The co-requisite didactic course is NURS 1008 Student Residency Competencies for Specialty Areas in the Acute Care Setting.

NURS 1008 A: Advanced Medical Surgical Nursing
NURS 1008 B: Labor and Delivery Nurse
NURS 1008 C: Critical Care Nursing
NURS 1008 D: Perioperative Nursing
NURS 1008 E: Emergency Room Nursing

Course Objectives:
At the end of this course, the student resident will be able to

At the end of the course, the resident will be able to:

1. Demonstrate competency in selected specialty area clinical skills including processes, procedures, equipment, electronic health records, use of evidence based guidelines, teamwork and collaboration, and nursing management of patients in a specialty acute care setting.
2. Demonstrate appropriate leadership/professional skills of delegation, conflict resolution, functioning as a team member, and dealing with patients requiring individualized specialty care.
3. Demonstrate appropriate critical thinking skills through problem solving in specialty care area patient situations.

Evaluation:
Students will be placed with clinical preceptors in the clinical area who will evaluate the various clinical competencies. Clinical performance in the various areas will be rated as credit/non-credit.
Course Length: This course will contain of 180 clinical hours

Proposed Date(s): Start 1/24/10 through 5/21/11

Location: Didactic and Clinical to be held at Palomar or Pomerado hospitals.

Support Needs: None

Comments: See attached course syllabus

When completed, please return this form, along with an up-to-date resume (with teaching references) to: Trish Henlon, Office of Extended Studies, Cal State San Marcos, 333 S. Twin Oaks Valley Rd., San Marcos, CA 92096; FAX: (760)750-3138; E-mail: thenlon@csusm.e
