18. Reason(s) for changing this course:
 This course involves direct interaction with the children at the campus's Center for Children and Families (CCF). As such, all students in this class are required to undergo a background check, fingerprinting, TB, and MMR clearance. In addition, these clearances must be received by the CCF no later than three weeks before each semester CHAD 496 is taught. Because of this, students cannot just "sign up" for this course without getting important information about these requirements. This course is only for CHAD majors or by consent of instructor. *CHAD majors have already undergone the requisite background check, thus any other students will need instructor consent.*
