Hi Sue,

In all honesty I was cutting and pasting from a PSCI document...Let's go ahead and delete that. It doesn't make sense to me either. Sorry for the confusion. I originally turned that in last fall only a few weeks after taking over as PD (in response to students asking for internships weeks after we launched the major!) (Many of the majors are junior and senior level as they changed majors. We have our first graduate this fall!)

Thanks!

Pamela

Hi Pamela,

So for 495, you have the following language on the outline:

"Students are required to participate in internship activities for 15-18 weeks, depending on conditions negotiated by involved parties. Students must invest 35 hours for each credit up to 3 units (105 for 3 units) and 40 hours per unit thereafter."

Can you explain the calculation and rationale for the hours that the students are expected to participate? Why does this change between 3 and 4 units?

Best,
Sue

Thanks, Martha

Requested changes:

ENVS 390:

- Box 5: add "in Environmental Studies" to title? **YES**
- Box 10: remove 36? Just C2 **YES**
- Box 18: uncheck "Detailed course outline" **YES**

• ENVS 495:

Box #5 can we change to state: "Internship in Environmental Studies" so that the abbreviated title has a better fit? **YES**

- Box 10: S-36? **YES**
- Because box 16 indicates ENVS 100 as a prereq, should that also be indicated in catalog description? **YES**
- Box 18: uncheck "Detailed course outline" *see attached*

• ENVS 498

Box #5 can we change to state: "INDEPENDENT STUDY IN ENVIRONMENTAL STUDIES" so that the abbreviated title has a better fit?

- Box 10: S-36?
- Box #14 we wanted to ask if that should instead state "up to 6 units" (rather than 6 times) **YES**(*please also see attached as my original did not say that.*)
- Because box 16 indicates ENVS 100 as a prereq, should that also be indicated in catalog description? **YES**

Box 18 uncheck detailed course outline

Since you've indicated that these courses could count towards the ENVS major, please provide a hardcopy of the catalog page of the program/major requirements and add the new courses by hand (showing exactly where you want them to appear).
