Rationale for Psychology Program Change

Psyc 345 – Applied Course

July 15, 2015

We would like to add a newly approved course, Psyc 345: Psychology of Caregiving Across the Lifespan, to our list of courses that will satisfy the Applied Psychology course requirement for the major. This change will provide students with an additional choice in this domain.

Special Conditions for the Bachelor of Arts and Minor in Psychology

All courses counted toward the major, including Preparation for the Major courses, and the minor must be completed with a grade of C (2.0) or better. No more than a total of three (3) units of either PSYC 498 or PSYC 499 may be applied toward the major. No more than three (3) units of PSYC 495 may be applied toward the major. A minimum of eighteen (18) units counted toward the psychology major must have been completed at Cal State San Marcos. For the minor, nine (9) units must have been completed at Cal State San Marcos. Courses taken at other universities for which we do not have articulation agreements will not be counted toward the major at Cal State San Marcos without the written permission of any member of the Psychology faculty listed above.
