Subject: RE: MGMT 302 Changes

Hi Virginia,

Sure, the rationale is this: The term "Management" is too broad to adequately reflect the course content. Moreover, using the term "Management" to reflect the content of the course, which has always been "Organizational Behavior," is simply outdated and does not reflect the changing nature of this academic field.

Regina can attest to this (this is her field), and perhaps provide any tweaking to the language if needed.

Thank you for your assistance,
Jeff

Subject: MGMT 302 Changes

Good morning,

We received your C-2 form for MGMT 302, to change the name of the course to Foundations of Organizational Behavior, along with a minor description change. You did not provide a rationale for this change in #18 on the form. Would you please reply to this email with the reason for the change, which I can append to the form and send to UCC?

Thanks,
Virginia
