18. Reason(s) for changing this course:

In order for the course to be taught at the appropriate level, all students must have a foundation in psychology. The only way to achieve this is to add PSYC 100 as a prerequisite. This will not prevent students in other majors from enrolling in the course; however, it means that they will need to have completed PSYC 100 rather than any Area D class. It also means that the course will no longer have UDGE certification.

Subject: Question re: PSYC 344 C-2 Form

Hi Marie!

I reviewed the PSYC 344 C-2 form with Regina before sending it to the UCC.

Can you please confirm that PSYC 344 no longer wants GE certification? This is impacted by the C-2 request to add PSYC 100 as a prerequisite.

Thanks for your help!

Best regards,
Criselda
