18. Reason(s) for changing this course:

Our new major combines what has previously been two separate options in the Visual and Performing Arts BA degree program. In developing the new major in Art, Media and Design, we are moving to one prefix for all courses, which necessitates a revision in numbering as well. The catalog description has changed to better describe the content of the course. Students require more than one opportunity to hone their skills.

Judit and Jacque,

Here are a couple more clarifications that I need regarding the forms I received:

- AMD 303 currently VSAR 301: The C-2 form lists VSAR 301A, the list you provided lists VSAR 301, the catalog has both VSAR 301A and 301B as classes. Can you please clarify/ Do you want both 301A and 301B to become AMD 303A/B?

I would like this course to turn back to a single course that can be taken for credit twice – we have other studio courses that are like that. For some reason this course was assigned an A and B version for taking it first time and second time – this is a confusing extra step that I would like to change. So on the AMD 303 form I have put can be repeated for credit twice.

Best. Judit
