Hi Criselda,

Thank you for the confirmation and yes, that should work. So you should change the C2 to delete prerequisite and add enrollment restriction, right? Would you take care of it on your end?

Best,  
Robert

**Subject:** BUS 322 and 324 C-2 Forms

Hi Robert,

I am confirming receipt of the BUS 322 and 324 C-2 forms, and I have a question regarding both.

With regard to the last line of the new catalog description, "Prerequisites: Business status", I would like to propose a description that is currently in use in the catalog. We would like to follow a standard of practice, so I hope it is okay that we use the phrase below. Please let me know your thoughts on this.

"Enrollment restricted to students who have completed the lower-division pre-business core requirement (major status in Business Administration, i.e., attained business status)."

Also, please note that this would be an enrollment restriction instead of a prerequisite.

Thans and best regards,  
Criselda
