Hi Deborah -

I was looking over your BIOL 212 C-2 and noticed Box 16 "Does this course fulfill a requirement for any major" was marked "no"

I wanted to check with you to see if this was a possible oversight? Is BIOL 212 a requirement for the major? [This could mean a core course requirement, or elective for a major, majors in other dept., minor in other departments]. According to the CSUSM Catalog it appears to be a requirement.

If so, then this box needs to be marked "Yes"

An email from you clarifying this is all I would need. I can attach the email to your C-2 form.

Thanks Deborah!
