18. Reason(s) for changing this course:

1) In the past, the posting of transfer credit at CSUSM was done very slowly. Since we did not want transfer students to continually have to provide documentation that they had taken the pre-requisite courses before they could enroll, we listed the course "pre-requisites" as "Enrollment Requirements" instead. Now CSUSM does a very good job getting transfer credit posted in a timely manner and it is now time to change these requirements to actual pre-requisites that are automatically checked by PeopleSoft.

2) The CHEM 250 to CHEM 160 change is due to the fact that the course number was changed years ago, but never updated by Academic Programs in the Enrollment Requirements.
