Hello Martha,

DNCE 420 is a course that offers students performance opportunities on campus, and eventually opportunities to perform offcampus at local schools and cultural events. Developing a Dance Ensemble requires that students come to the course with some training and versed in some of the values that support of vision of Dance Studies at CSUSM. Therefore, a pre-requisite is requested.

Thank you, Karen

Hi Judy,

If you could please confirm - approve by responding to all - that you are fine with DNCE 420 (Dance Ensemble) having perquisites. I understand that this is an elective in TA.

Thank you for your time.
