18. Reason(s) for changing this course:

Lowering the number of units needed from the concentration/option courses, will allow more flexibility for HD scheduling purposes and removes current roadblock for students on track for graduation. Currently, every semester students petition to take HD option courses with the 400 level courses to graduate. The department approves the petition, otherwise the student would have to attend part-time for two semesters to graduate. Making this change would take away this roadblock.
