18. Reason(s) for changing this course: This change will coordinate with the recent change in the impaction strategy of the Kinesiology department. The department's new impaction strategy focuses on students at the first year level (the pre-Kinesiology designation for 1 st and 2 nd year students is ending). Therefore, restricting enrollment to <u>Kinesiology majors</u> will no longer be sufficient to ensure that 1 st and 2 nd year students are unable to enroll in upper division courses. To date, the criteria for students to change from pre-Kinesiology to Kinesiology involved these same pre-requisites (BIOL 104, BIOL 177, BIOL 178, and KINE 202). Therefore, this change will have no impact on other disciplines or the requirements for Kinesiology majors to enroll in upper division courses.
