PROGRAM DIRECTOR/CHAIR - COLLEGE CURRICULUM COMMITTEE SECTION:
(Mandatory information – all items in this section must be completed.)

16. Does this course fulfill a requirement for any major (i.e. core course or elective for a major, majors in other departments, minors in other departments)? Yes No
 If yes, please specify:
 Kinesiology majors in the *Health Science* option are required to take this course.

17. Does this course change impact other discipline(s)? *(If there is any uncertainty as to whether a particular discipline is affected, check "yes" and obtain signature.)* Check "yes" if the course is cross-listed. Yes No
 If yes, obtain signature(s). Any objections should be stated in writing and attached to this form.

18. Reason(s) for changing this course:

This change will coordinate with the recent change in the impaction strategy of the Kinesiology department. The department's new impaction strategy focuses on students at the first year level (the pre-Kinesiology designation for 1st and 2nd year students is ending). Therefore, restricting enrollment to Kinesiology majors will no longer be sufficient to ensure that 1st and 2nd year students are unable to enroll in upper division courses. To date, the criteria for students to change from pre-Kinesiology to Kinesiology involved these same pre-requisites (BIOL 104, BIOL 177, BIOL 178, and KINE 202). Therefore, this change will have no impact on other disciplines or the requirements for Kinesiology majors to enroll in upper division courses.
