**18. Reason(s) for changing this course:**

The department would like to remove the pre-req of GEW 101 for LTWR 115 so that first year students have the option of taking the class in their first semester. LTWR recently redesigned the "4 Year Roadmap" for our program and giving students the ability to take LTWR 115 in the fall of their first semester gives them more flexibility in making timely progress towards their degree and allows them to more easily complete the preparation for the major in their first year.
