Subject: CHEM 451/551 C Forms

Hi Criselda -

This is the reply from the originator for CHEM 451 and 551 C Forms. Both courses were approved pending these catalog description changes.

Please save as a pdf to the UCC review site & Sharepoint. Much thanks!

Paul

Subject: RE: UCC Curriculum Review - CHEM

Hi Paul,

These changes look fine to me. Thanks.

Best,
Kambiz

Subject: UCC Curriculum Review - CHEM

Hi Kambiz and Jay –

I am writing with regard to the UCCs review of the courses associated with the MS of CHEM P-form. The committee would appreciate the following confirmations with the courses listed below.

1. CHEM 451 C Form

Confirm edits to catalog description: Delete beginning of second sentence, and start that sentence with “Review of thermodynamics... / Period after “equilibria” to end second sentence / Third sentence start with “Use of optical... and end with period after “spectrometry” / delete “to study” and begin Fourth sentence with “Focuses on biomolecular...”

2. CHEM 551 C Form

Confirm edits to catalog description: Delete beginning of second sentence, and start that sentence with “Review of thermodynamics... / Period after “equilibria” to end second sentence / Third sentence start with “Use of optical... and end with period after “spectrometry” / delete “to study” and begin Fourth sentence with “Focuses on biomolecular...”

Thanks Kambiz and Jay. Appreciated.

Paul
