In planning the components of our Extended Studies program at Cal State San Marcos, this office consults closely with the academic colleges and departments to determine the suitability of course content, teaching methods and instructor qualifications. To assist us in evaluating your proposed course for credit, please submit this completed form—along with Form X: New Course Non-degree Credit—to our office as soon as possible. Questions before you submit? Call (760)750-4020.

- **Course Title:** National Parks Recreation

- **Course Description:** (Please provide a short paragraph describing the purpose, topics and audience for your course. Be sure to include the benefits for students who take your course. An edited version of this description will be used for promotional copy.)

  A combination of Environmental Education, History of Land Use, Philosophy of Recreation in National Parks, and Recreation activities during spring break in Southwestern National Parks (Zion, Bryce & Grand Canyon).

- **Course Objectives:** (Provide specific student learning outcomes and how they will be achieved.)

  Students will:
  - Enhance their knowledge of National Parks history
  - Enhance their knowledge of conservation philosophies and Federal Lands Management
  - Understand the environmental policies & practices in relation to land use
  - Experience recreation activities (hiking, camping, cooking in the outdoors, navigation...)

- **Evaluation:** (What will be the basis for grades? How will you know that the students have achieved the course objectives?)

  Grading is simply based on attendance. No incompletes will be given. Be aware of University deadlines. This class is based on credit/no credit.

- **Course Length:** (How many actual contact hours in class? Note: Credit courses must contain a minimum of fifteen 50-minute contact hours for each semester unit of credit, and outside of class work by students is required.)

  A minimum of 15 contact hours is planned.

- **Proposed Date(s):** Sunday March 28th-Friday April 2nd, 2010

- **Location:** (Indicate if you are proposing this course to be scheduled and offered in our facilities, or if this course is to be held at an off-campus location, such as a school, district or county office, company, etc.)

  Southwestern National Parks (Zion, Bryce & Grand Canyon).

- **Support Needs:** (Please indicate any special services you will need, such as audio-visual equipment, photocopying, room set-up, etc.) none
Comments: (Please add any other relevant information, such as whether or not the course has been taught elsewhere successfully, why the course is needed in our area, marketing suggestions, etc.)

Cooperative project between ASI Recreation and the Kinesiology department

Hi Virginia. Not sure I got back to you, but this course is fine. Many thanks, and happy new year. We can chat about Aix and London soon!

On 1/4/10 3:10 PM, "Virginia Mann" <vmann@csusm.edu> wrote:

Hi Peter – Happy New Year!

Extended Learning has sent us the attached proposal for a credit course – National Parks Recreation – and David has asked that HIST review and let us know any comments, etc.

Hope all is well – la belle France was magnifique, and Londres was cold & wet!

Virginia
