

MILITARY HISTORY REQUIREMENT FOR MILITARY STUDENTS (MECEP, MCP OR STA 21)

Some, *not all* of our Military Students may need to take a *Military History* course in addition to their graduation requirements. Any of the courses listed below will meet this military requirement.

History 336E - Prosperity, Depression and War 1920-1945
History 336F - America during the Cold War
Political Science 355 - U.S. Foreign Policy
Political Science 358 - America in Vietnam
Political Science 455 - National Security Institutions and Policy

Please note:

- This is **not** a requirement for all military students (the requirement has to do with the new Naval ROTC requirements)
 - Students needing to meet this requirement will have a positive service indicator in their student service center (★) which will identify them as either **MECEP**, **MCP** or **STA-21**
- ➔ Go to the Student Services Center and enter the student's ID
- ➔ Click on the (★)
- ➔ Look on the **Service Indicator** line for: VET Veteran's Affairs Students:

Positive Service Indicators

	Veterans Affairs Students				

- In this example, you'll see that the **Service Ind Reason** line has identified this student as **MECEP**, (or it could be MCP or STA-21) and therefore the student will need to complete one of the above identified *Military History* courses.
- While ultimately it is the responsibility of our military students to self-identify themselves, taking a moment to look at positive service indicators can also help us assist these particular students in an advising appointment.
