**ELEMENTARY SUBJECT MATTER PREPARATION CERTIFICATE**

A different pathway to careers in elementary school teaching is provided by the Elementary Subject Matter Preparation Certificate (ESMPC). This is a "stand-alone" certificate program that can be combined with any major in the College of Arts and Sciences. See page 163 for more information. It also provides preparation for graduate-level Multiple Subject credential programs.

Like the ESM and ICP Options in the Liberal Studies Major, the ESMPC prescribes a particular pathway through the General Education requirements of the baccalaureate degree; completion of the certificate curriculum ensures the student's preparedness in the subject areas of the K-8 curriculum. The ESMPC is a package of coursework that the student combines with the required curriculum of an undergraduate Major, leading to a Bachelor of Arts degree. (Students interested in the Certificate should consult their Major advisors; some Majors are less suitable for combination with the Certificate, leading to additional units of study beyond the 120 units typically required for the Bachelor of Arts degree.) See page 189.
