

To All Incoming Freshman Student-Athletes:

You are required to take GEL 101 (Area E) during your first or second semester at CSUSM. There will be a special section designated for student-athletes only. You will be pre-registered in GEL 101 based on your orientation date. When you arrive at orientation, GEL 101 will be on your schedule. If you get to orientation and GEL 101 is NOT on your class schedule, the class has reached capacity and you will need to take it during Spring 2008. Please do not sign up for another GEL 101 section during the fall semester.

Contact the Athletics Coordinator at tsnedden@csusm.edu if you have any questions.
