Marketing Option courses focus on the development of mutually beneficial exchanges between not-for-profit and profit-generating organizations and their customers, suppliers, and distributors. Students learn how to foster exchange with consumers and businesses, through courses such as Customer Analysis (MKTG 442) and Marketing Communication (MKTG 433).

The courses draw on many facets of the social and behavioral sciences to guide students in their intellectual development. Management courses are also taken by students to increase their understanding of relationships among members of organizations as well as organization decision-making behavior and cultures.
