As part of CONNECT's expanding activities in promoting education in San Diego, we are pleased to announce our summer 2013 internship program. This program will connect highly motivated undergraduate and graduate students with local companies.

CONNECT is seeking an outgoing, hardworking interns to work with some of the 200+ startup companies that we work with on an annual basis. CONNECT will act as a clearing house, initially screening applicants and passing resumes off to the appropriate companies. Internships are available for both undergraduate and graduate students and these positions both paid and unpaid.

Currently, we are looking for students with a background in:

- Engineering
- Business/ Entrepreneurship
- Communication/ Social Media/ Marketing

Additional Qualifications:

- Excellent communication skills - written and oral.
- Solid technical skills - computer, Microsoft Office, and Internet research skills.
- Strong attention to detail.
- Ability to juggle multiple deadlines and assignments.
- Ability to work as part of a team.
- Applicants with a variety of experience levels and interests encouraged to apply.

Deadlines and Dates:

- Many companies are looking for interns to begin as soon as possible, and continue on throughout the summer months.

Interested students should send their resume directly to Nia Gipson at ngipson@connect.org. These resumes will then be passed on to companies that are interested in hiring interns with the student's particular qualifications.
