

Developing and implementing a school-wide vision for writing instruction
Vista Magnet Middle School
Vista Unified School District
3 units
Final Report
Submitted by Laurie Stowell

I had a relationship with and developed this proposal with the Assistant Principal Nancy Pace-Skinner. In the fall of 2010, Nancy left Vista Magnet Middle School and joined the faculty of Murray Alternative High School. I attempted to meet with and develop a new plan to support the teachers at Vista Magnet Middle School in the fall but it never panned out. Therefore I did not take the three units in my load.
