Please Check... I am in

Practicum I

Practicum II

Prior District _____

Prior School _____

Grade Level _____

BCLAD

School sites will be assigned based on space available and geography. Your preference will be taken into consideration as much as realistically possible considering the constraints of the schools. Please list the school Districts in order of preference. It is our goal to enable you to have experiences in two different districts and grade levels.

The schools receive this form and the supervisor makes your assignment based on the teachers they have available. Additionally, we cannot place you in a school without a completed Request Form. Any special placements must be requested to the University Field Practicum Coordinator prior to the mandatory meeting. Ginny Sharp gsharp@sharpsnet.com **Email this form to Ginny Sharp.**

If you are currently employed in a public school and would like to complete your practicum at this school, provide the following information:

District _____

School _____

Contact Person _____ Phone # (____) _____
