MEDIA ADVISORY

Information Session at CSUSM Temecula: Bachelor of Science in Kinesiology, option in Health Science

What: Free Information Session for Bachelor of Science in Kinesiology Program

Where: California State University San Marcos at Temecula, Room 101

When: Thursday February 6, 3:30 -5:00 PM

Why: In response to a regional work place need for individuals who are trained in kinesiology, public health, and health/fitness education, the Bachelor of Science in Kinesiology, option in Health Science is now accepting applications for 2014.

The Bachelor of Science in Kinesiology, option in Health Science program is designed for students interested in public health, physical education, and kinesiology. Students gain hands-on experience in our new state-of-the-art Human Performance Laboratory in which they learn and conduct hypothesis-driven research. Upon completion of the program students will be skilled in promoting positive, personal behavior changes that has an impact on health, and they will be well-prepared to pursue graduate programs.
For more information about the upcoming Information Session please contact 760-750-4020 or el@csusm.edu.

About Extended Learning at California State University San Marcos

As the academic outreach arm of Cal State San Marcos, Extended Learning is a leading provider of professional and continuing education in North San Diego and Southwest Riverside Counties. Offering degree programs and both academic credit and non-credit professional development courses, as well as career-based certificate programs, we help individuals and organizations achieve their educational and training goals.
