MEDIA ADVISORY

Information Session at CSUSM Temecula: Registered Nurse to Bachelor of Science in Nursing (RN-BSN)

What: Free Information Session for RN-BSN Program

Where: CSUSM Temecula Campus, Room 103

When: Monday March 18, 3:30 -5:00 pm

Why: In response to a regional workforce need for the working RN to complete a Bachelor of Science degree in Nursing and assume a leadership role within the clinical setting.

The RN-BSN program is designed to fulfill the needs of the working RN. This flexible part-time program offers classes one-day per week and all course work required for degree completion may be completed within 6 academic terms. Students pursuing this program may take classes at the main-campus or at the satellite campus in Temecula. Upon completion of the program students will receive a Bachelor of Science degree in Nursing (BSN) which allows individuals to assume leadership roles within the clinical setting while establishing a foundation for graduate-level studies. The program is accredited though the American Association of Colleges of Nursing.
For more information about the upcoming Information Sessions, please contact 760-750-4020 or el@csusm.edu.

About Extended Learning at California State University San Marcos

As the academic outreach arm of Cal State San Marcos, Extended Learning is a leading provider of professional and continuing education in North San Diego and Southwest Riverside Counties. Offering degree programs and both academic credit and non-credit professional development courses, as well as career-based certificate programs, we help individuals and organizations achieve their educational and training goals.
