Applicants for federal and state financial aid are required to meet satisfactory academic progress standards. The Financial Aid & Scholarships Office has established satisfactory academic progress policies for financial aid and evaluates applicants annually in accordance with these standards. According to our records, a Hold has been placed on your financial aid record as you do not meet Academic Status for Satisfactory Academic Progress. Please review the information below which provides further details and instructions should you choose to appeal this decision.

**What are the reason(s) for the Satisfactory Academic Progress Hold?**

**Academic Status:** Your satisfactory academic progress was evaluated for the combined terms of summer 2009, fall 2009 and spring 2010. The evaluation indicates that effective with the end of spring 2010:

- You did not achieve a cumulative grade point average of a minimum 2.0, OR
- You did not successfully complete the required number of units for the combined number of units attempted (summer 2009, fall 2009 & spring 2010 combined), OR
- You were academically disqualified by the University at the end of the spring 2010 term.

Please note that any of the conditions above would result in the Satisfactory Academic Progress hold due to Academic Status. The checklist item on your SAP To Do List at MyCSUSM.edu will list the condition(s) which applies to your situation.

**What is the impact of the Satisfactory Academic Progress Hold?**

Based on your Satisfactory Academic Progress status, a Hold has been placed on your financial aid record for 2010-11. The impact on financial aid processing is as follows:

- Further processing of financial aid has been suspended and your application is on HOLD.
- Since you are no longer considered eligible for financial aid you will not be extended an offer of financial assistance until such time that your Satisfactory Academic Status is resolved or you meet all standards.
- Financial aid funds that may have been awarded to you cannot be paid due to your ineligible financial aid status.

Reinstatement of financial aid eligibility can be established by meeting the terms of Satisfactory Academic Progress as outlined in the CSUSM Satisfactory Academic Progress policy for financial aid. If you believe that you have extenuating circumstances which you feel should be considered in reestablishing your financial aid eligibility, you may address your unique circumstances by completing the **Satisfactory Academic Progress Appeal for Academic Status.** Please note that submission of an appeal does not signify that your appeal will be automatically approved. Therefore, you must make arrangements to pay fees without regard to financial aid.

**Disqualification Status** – Students who have been disqualified for financial aid due to Academic Status will not be eligible for financial aid until they can achieve reinstatement of eligibility. Students may reestablish eligibility by completing all of the following requirements:

- Enroll in a minimum of six units in one term, without financial aid, at CSU San Marcos or at another institution as long as the units taken elsewhere are degree applicable.
- Complete 80% to 100% of the units attempted as indicated in Table 1 below.
- Achieve a GPA of 2.0 in the units completed

**Academic Status Appeal**

If you believe that you have extenuating circumstances that are related to your Satisfactory Academic Progress disqualification status and you wish to address these issues, you may document these circumstances by completing this appeal form. Read carefully and follow these steps to file your Appeal:

1. Attach your typed or clearly written appeal statement to this form. Your appeal statement should clearly address the reason(s) why you were not able to successfully complete the required number of units based on the units you attempted, or why your cumulative grade point average is below a 2.0 G.P.A., whichever condition(s) apply to you.

2. In your written statement, the Appeal Committee requires that you address:
   - What are the circumstance(s) that caused you not to complete the units attempted or to complete them with a grade point average below a 2.0 GPA?
   - What has changed, or what steps have you taken, to resolve the situation so that you can be successful in the next semester or academic year? Be as specific as possible.

3. Letters of support from professors and/or advisors may be helpful. If the appeal is based on medical issues or other drastic circumstances, please provide documentation to support your appeal. Any supporting documents MUST be attached to the appeal form. If submitted separately, the documents will not be reviewed.

4. Appeals are reviewed in the order received. Notification regarding the outcome of your appeal request will be completed typically within 21 days following receipt of your appeal.

5. **Deadlines:** Appeals received after November 12, 2010 will be considered for reinstatement of financial aid eligibility effective with the Spring 2011 term; reinstatement if granted would not include financial aid eligibility for the Fall 2010 semester. Final Deadline for all appeals is April 19, 2011.
