- ESM 5 (1 unit) or
- Alternatives offered at community colleges and other CSU campuses

40, 42 or 44

Recommended:
- ESM 30 (3 units)
Acceptable, but not recommended:
- ESM 5 (1 unit) or
- Alternatives offered at community colleges and other CSU campuses

Note that all of the Early Start Mathematics (ESM) offerings at CSU San Marcos will require students to physically attend classes over summer on the San Marcos campus. Students can find entirely on-line alternatives offered by other CSU campuses in the CSU Early Start Course Listing: http://earlystart.csusuccess.org/csu_early_start

The 3 units of ESM 111 may be applied toward the minimum of 120 units required for any bachelor’s degree at CSU San Marcos, and these units also satisfy the Area E (Lifelong Learning, Self Development and Information Literacy) General Education requirement. Units earned in other ESM courses do not count toward graduation requirements.

* First-Year Learning Communities include the San Marcos Experience Living Learning Community, the Health and Wellness Learning Community, the First-Year Business Learning Community, the Athlete Learning Community, the Global Learning Community, and the Undeclared Learning Community. You cannot participate in any of these learning communities (or register for GEL 101 in the fall semester) if you take ESM 111 in the Early Start Program.
