

PERSONAL CONDUCT AGREEMENT
(For Students in Host Family Placements Only)

Program: Summer in Spain 2013

Dates: May 27-June 21

I understand that I am a guest in the home of my host family, and I will respect and conform to the rules of my host family. I understand I may not have overnight visitors or spend the night with other host families without the express permission of the host families involved.

I understand that I am a guest in Spain and that my behavior reflects upon my country and my university. I understand that Spain is more formal than the U.S.A. in dress, in speech and in social relationships, and while in Spain I will act according to socially acceptable, polite norms.

I understand that attendance is required in all classes and that my grade will be adversely affected by excessive absences.

I have read and agree to the above.
