DEGREE PLANNER

The first time you log into Degree Planner you'll see the below refresh message.

Simply click 'OK'

You will then be taken to your Degree Planner Overview page.

DEGREE PLANNER OVERVIEW PAGE

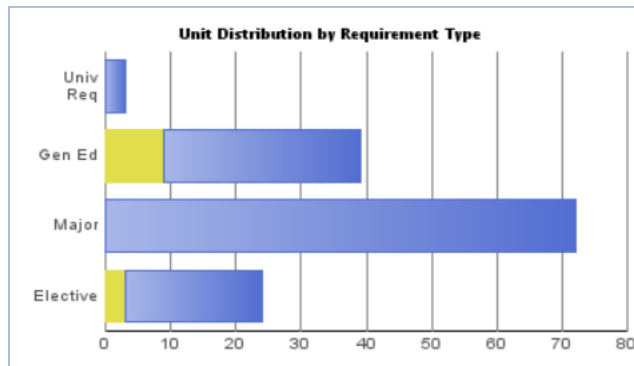

Degree Planner Overview

[Print](#)

The graphs and chart(s) below are a helpful snapshot in determining your progress toward your degree(s). The graph on the left is a visual display of the percentage of units you have completed, units in progress, and units still left in your planner. The graph to the right displays a breakdown of units by requirement type for your degree(s). If you have multiple majors/minors, the graphs display the sum of these plans. The degree breakdown chart(s) located under each major/minor description, show you a plan specific breakdown of units by requirement type for an individual major or minor.

Click CONTINUE to see your suggested path to graduation.

[FAQ](#)

Completed In Progress Planned

Computer Science CS Opt BS

Catalog Year Fall 2014 [Change My Major](#)

In order to potentially complete the major you are pursuing within four years, it requires a heavy and demanding course load. It is highly recommended that you meet with your academic advisor regularly for careful planning and guidance.

Units for Computer Science CS Opt BS

Requirement Type	Completed	In Progress	Planned	Total
University Requirement			3.00	3.00
General Education		6.00	9.00	15.00
Major Requirement			72.00	72.00
Elective Requirement			6.00	6.00
Total		6.00	90.00	96.00

This page gives you a quick snapshot of your degree progress and current plan.

The graphics allow you to review what you have completed, what is in progress and what is planned by each academic competency and by requirement type.

Be aware that a Warning or Off Track indicator may display at the top of this page. If you see one of these buttons, be sure to click on it to review an important message about your plan or degree progress.

Once you have reviewed the Overview page, click "Continue" to proceed to Degree Planner main page.

Consult with your advisor if you need assistance.

Semester credits are for planning purposes only. For total credits, please consult your Academic Requirements Report (ARR) and your academic advisor.

At the Edit Preferences page, you can adjust your target units for any term and add or delete terms to personalize your academic plan.

For instance, if you want to add a summer term to your plan:

- Click the (+) icon
- Select the term you want to add
- Enter the Target units for the new term
- Click 'OK'

DEGREE PLANNER

When you edit your preferences by adding or removing terms you will see a message indicating that your plan will refresh to reflect any changes you have made.

Click 'OK' to continue

You'll be taken back to your Degree Planner and be able to scroll down the page to see the changes you've made.

The screenshot displays the Degree Planner interface. At the top, there are links for [Internal View](#), [ARR](#), and [ARR Planned](#). Below these, a message box is open, titled "Message". The message text reads: "You have made an adjustment to your plan. The plan has been refreshed to reflect this change. Some requirements may be shifted to different semesters. You can click Arrange My Plan to adjust the order of courses. Your plan will be refreshed whenever you: 1. Edit your semester/credit preferences 2. Add or delete a course for a minor or second major 3. Select a course with a different number of credits 4. Select or clear an in-progress or completed course for certain requirements For your convenience; you will only see this message once per session." At the bottom of the message box is an "OK" button, which is highlighted by a large blue arrow. Below the message box, there is a table with columns for "Notes", "Critical", and "Units". The table contains three rows of course information: CS 211, MATH 162, and Not Selected. Each row has a "Select" button and a "Lock" button. At the bottom of the table, it shows "Planned Units 15.00" and "Target Units 15.00".

Below you will find course work based on the remaining requirements for your major(s) and minor(s). Please note that not all plans may be available at this time. The order of courses presented does not guarantee a degree will be awarded by the timeline presented below. Students should refer to their Academic Requirements Report (ARR) for verification of degree completion.

Spring 2015

Reviewing your Degree Planner (Cont'd)

LOCK column:

A course can be locked for multiple reasons: it was placed into a specific term on the Arrange My Plan page, the lock option has been clicked, or the course is chosen by the “Add Course” link. If a course is locked, it will not move from the term it has been locked in when the Refresh Suggestions button is clicked

ADVISOR MESSAGE column:

This is a personal communication containing important information about a particular requirement.

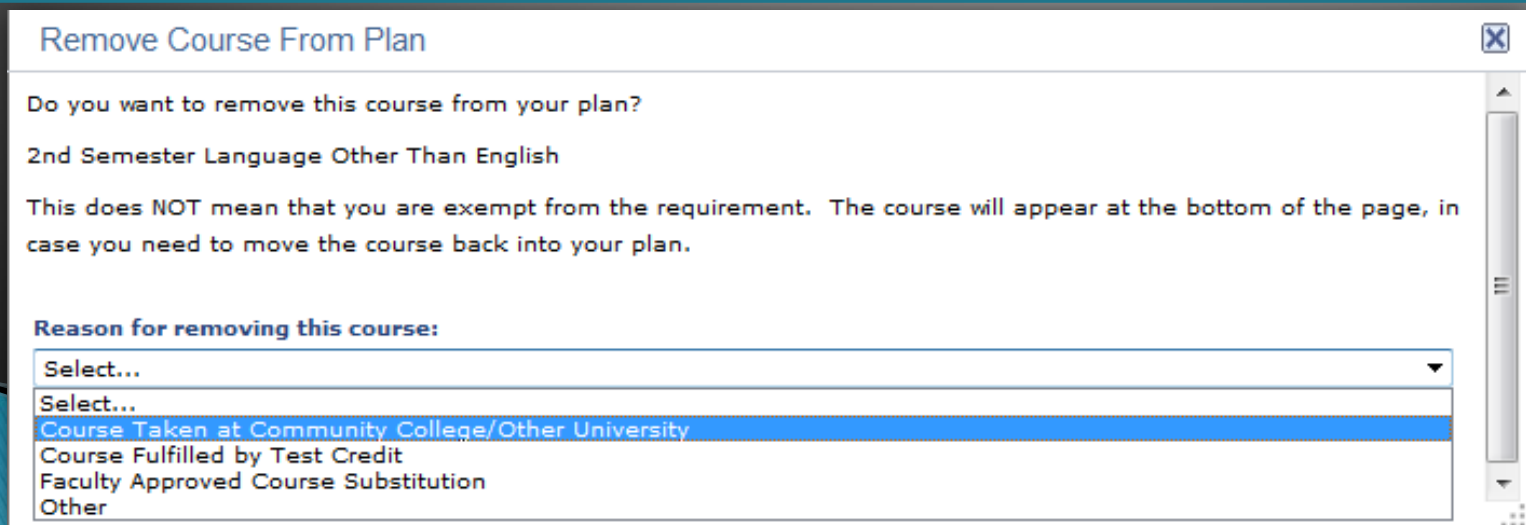

DEGREE PLANNER

REMOVE column:

When you click on this column, you have the ability to remove a requirement from your plan and view it in your Degree Planner as if it were satisfied. Removed courses may always be restored to the plan.

A good use of this feature:

- Transcripts not yet posted to your records (ex: articulated courses confirmed through Asssit.org)
- Advanced Placement and other test scores not yet posted to your records
- Faculty approved course substitutions not yet posted to your records

Remove Course From Plan

Do you want to remove this course from your plan?

2nd Semester Language Other Than English

This does NOT mean that you are exempt from the requirement. The course will appear at the bottom of the page, in case you need to move the course back into your plan.

Reason for removing this course:

Select...

Select...

Course Taken at Community College/Other University

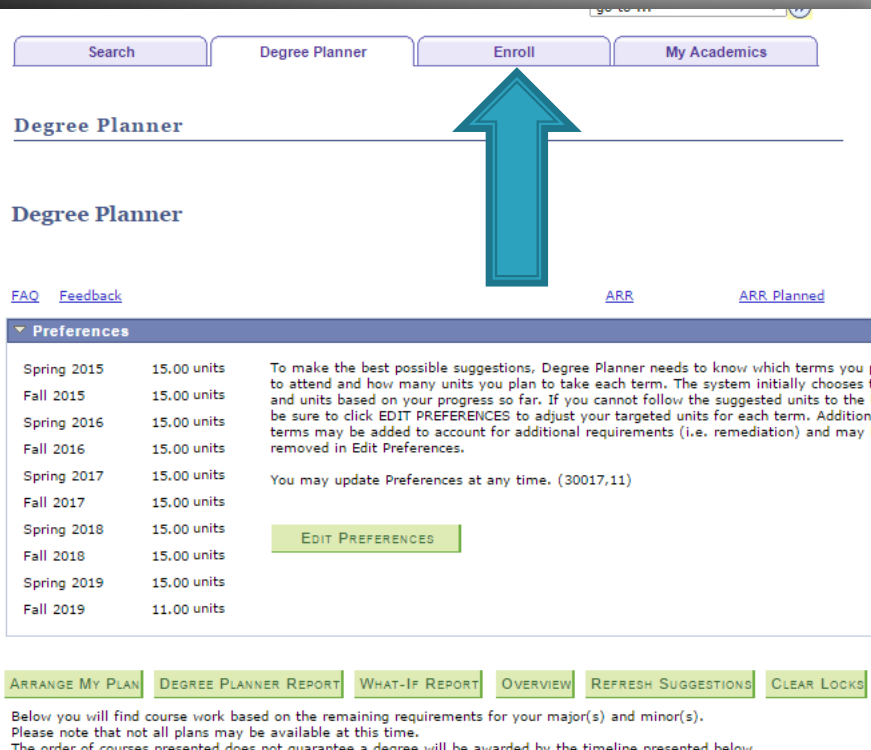

Course Fulfilled by Test Credit

Faculty Approved Course Substitution

READY TO FIND SPECIFIC CLASS DAYS/TIMES FOR THE CLASSES IN YOUR DEGREE PLANNER FOR THE UPCOMING SEMESTER?
Scroll to the top of the Degree Planner page and choose
'ENROLL'

The screenshot shows the top navigation bar with buttons for Search, Degree Planner, Enroll, and My Academics. Below this is the 'Degree Planner' section. A large blue arrow points from the 'Enroll' button in the navigation bar to the 'Enroll' button in the 'Degree Planner' section. The 'Degree Planner' section includes a 'Preferences' table with columns for semester, units, and a description. The table lists semesters from Spring 2015 to Fall 2019. Below the table is an 'EDIT PREFERENCES' button. At the bottom of the page are buttons for 'ARRANGE MY PLAN', 'DEGREE PLANNER REPORT', 'WHAT-IF REPORT', 'OVERVIEW', 'REFRESH SUGGESTIONS', and 'CLEAR LOCKS'.

Semester	Units	Description
Spring 2015	15.00 units	To make the best possible suggestions, Degree Planner needs to know which terms you plan to attend and how many units you plan to take each term. The system initially chooses terms and units based on your progress so far. If you cannot follow the suggested units to the letter, be sure to click EDIT PREFERENCES to adjust your targeted units for each term. Additional terms may be added to account for additional requirements (i.e. remediation) and may be removed in Edit Preferences.
Fall 2015	15.00 units	
Spring 2016	15.00 units	
Fall 2016	15.00 units	
Spring 2017	15.00 units	You may update Preferences at any time. (30017,11)
Fall 2017	15.00 units	
Spring 2018	15.00 units	
Fall 2018	15.00 units	
Spring 2019	15.00 units	
Fall 2019	11.00 units	

The screenshot shows the 'Add Classes' section of the website. It includes a '1. Select classes to add' heading and a 'Find Classes' section with a 'Class Search' radio button and a 'search' button. A red circle with the text 'NOW CLICK ON SCHEDULE ASSISTANT' is overlaid on the page, with a blue arrow pointing to the 'schedule assistant' button. Below the 'Find Classes' section is a 'My Fall 2014 Class Schedule' section with a legend for 'Enrolled', 'Dropped', and 'Wait Listed'.
