# Finance and Administrative Services 2016-2017 Strategic Objectives Quarter 3

#### **FINANCE AND BUDGET**

| Fiscal Services                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |                                      |
|-------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------|
| FAS Strategic Objectives                        | Department Goals                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Progress                             |
| Develop workforce strategies                    | STAFF TRAINING & READINESS - debrief and review FY15/16 yearend close process and identify opportunities for improvement. Goal is to strengthen staff understanding of yearend tasks and create process efficiencies. This effort will improve team effectiveness by freeing up time for leaders to focus on more value-focused responsibilities including staff review (improving internal controls & accuracy) as well as lighten time burden on management promoting better work-life balance during busy season. | <ul><li>On Target</li></ul>          |
|                                                 | ROUTINE FINANCIAL REVIEW WITH STAFF - dedicate a component of regular staff meetings to high-level financial review of the campus and auxiliary activities & financial position. Goal is to deepen staff knowledge & understanding of the big-picture financial operations of our organization which will promote employee engagement and enhance motivation by connecting staff-level efforts to larger organizational performance.                                                                                 |                                      |
| Create and refine innovative business practices | AUX REORGANIZATION - Provide legendary service in financial leadership support of auxiliary reorganization - which will involve merging of housing into existing-UARSC operations as well as consolidating aux student fee-based activities into ASI. With name-change of UARSC to UCorp                                                                                                                                                                                                                             | <ul><li>On Target</li></ul>          |
|                                                 | REVIEW/UPDATE ACCOUNTING PROCEDURES - comprehensive review of established procedures and identify gaps and necessary revisions & updates. This exercise will <u>promote process</u> <u>improvement and strengthen documentation</u> for future audits, and better facilitate cross-training.                                                                                                                                                                                                                         | <ul><li>On Target</li></ul>          |
|                                                 | DEVELOP EXECUTIVE SUMMARY FINANCIAL REPORTING - provide financial leadership team with routine high-level summary of financial performance to include peer analysis and other benchmarking along with highlights of performance for each period. This goal will <a href="improve-transparency">improve-transparency</a> around financial performance and provide a tool to better support the financial decision-making process.                                                                                     | <ul><li>Approaching Target</li></ul> |
|                                                 | AUTOMATION OF AUX FINANCIAL REPORTS - work w/ FSO to leverage reporting trees, attributes, & other system features to create specialized auxiliary financial performance reports. Leverage system resources to create automated financial reports to improve timeliness, reduce risk of manual error, and promote more effective use of department staffing resources - reducing financial report preparation time by 20%                                                                                            | <ul><li>Behind Target</li></ul>      |

| Deliver legendary service                                                         | NEW USER TRAINING MATERIALS - given the high level of newer community resources staffing, we will develop training materials help our end-users get up-to-speed and better understand processes such as financial transfer requests, billing, and other fiscal services.                                                                               | <ul><li>On Target</li></ul>            |
|-----------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------|
|                                                                                   | COMPLETE FUNDRIVER ENDOWMENT CONVERSION - including audit & review of all endowments and scholarships to ensure data integrity of loaded data. System will allow UA to provide accurate & timely reports to donors to enhance donor relations & stewardship.                                                                                           | <ul><li>On Target</li></ul>            |
| Identify new and strengthen existing partnerships to support the campus community | SPACING NEEDS PROJECT SUPPORT - further develop campus partnerships by providing financial advisement and support for the campus spacing needs project, which includes assessment of inhouse and outside partnership solutions via P <sub>3</sub> (public-private-partnership). Goal is to support and facilitate effective strategic decision making. | <ul><li>On Target</li></ul>            |
|                                                                                   | STRENGTHEN CROSS-FUNCTIONAL COLLABORATION - further develop partnerships with Extended Learning, Student Financial Services, and Financial Aid groups Goal is to obtain deeper understanding of departments challenges to promote more effective and efficient accounting & financial processes.                                                       | <ul><li>On Target</li></ul>            |
| Foster a culture of sustainability                                                | Certification of all individuals and departments in Sustainable Cougars Office Program by 6/30/17                                                                                                                                                                                                                                                      | <ul> <li>Approaching Target</li> </ul> |

| Financial Systems Operations                                                      |                                                                                                                                                                                                                                                                                                   |                                        |
|-----------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------|
| FAS Strategic Objectives                                                          | Department Goals                                                                                                                                                                                                                                                                                  | Progress                               |
| Develop workforce strategies                                                      | Expand CFS knowledge: Study guides to gain proficiency with Interunit ProCard by 12/31/2016                                                                                                                                                                                                       | <ul><li>On Target</li></ul>            |
|                                                                                   | Spend 8 hours per month on learning the requisition and purchase order entry process, identify potential errors, and document procedures                                                                                                                                                          | <ul><li>On Target</li></ul>            |
| Create and refine innovative business practices                                   | Implement invoice data feed from Library system to CFS via the AP voucher upload process by close of accounting period 4, 10/31/2016. Removes duplicate invoice entry by AP, reducing errors, and reducing vendor inquiries by paying invoices weekly potentially saving 50+ work hours per year. | <ul><li>On Target</li></ul>            |
|                                                                                   | Implement Interunit Pro Card process by close of accounting period 7, 01/31/2017 to reduce the volume of manual fund transfers, bills printed/processed, AP invoice manual entry, and Cashier deposits from intermittent throughout the month to a monthly process.                               | <ul> <li>Approaching Target</li> </ul> |
| Deliver Legendary Service                                                         | Deliver improved support for CFS year-end operations                                                                                                                                                                                                                                              | <ul> <li>Approaching Target</li> </ul> |
|                                                                                   | Develop 10 FAQs and post to FSO website by 6/30/17                                                                                                                                                                                                                                                | <ul> <li>Approaching Target</li> </ul> |
| Identify new and strengthen existing partnerships to support the campus community | Develop FSO year-end checklist to support all business units and all CFS modules before year-end deadlines, 04/15/2017                                                                                                                                                                            | <ul> <li>Approaching Target</li> </ul> |
| Foster a culture of sustainability                                                | Certification of all individuals and departments in Sustainable Cougars Office Program by 6/30/17                                                                                                                                                                                                 | Approaching Target                     |

| University Budget Office                                                          |                                                                                                                                                                                                                                 |                                        |
