

California State University San Marcos

Office for Training, Research & Education in the Sciences (OTRES)
Title V/HSI STEM Program

STUDENT RESEARCH SYMPOSIUM

Palomar College

FRIDAY, APRIL 13

Undergraduate Students from CSU San Marcos will Present their Original Work Through Poster and Oral Presentations

We invite all Palomar students to attend this exciting event.

Why should you Attend:

-  To increase your awareness of student research opportunities at CSU San Marcos.
-  It is an excellent way for Palomar students to connect and network with CSU San Marcos Students and Faculty.
-  It is an opportunity for you to experience the research that is being produced by CSU Students.
-  To learn about STEM majors and Student Programs at CSU San Marcos
