

Spring 2017 Final Exam Schedule

A two-hour examination period has been scheduled for each class. Finals are scheduled in same classroom as the section meets during semester.

Hybrid and One Unit Courses: One unit courses and in-class portions of hybrid courses that meet in a time slot shorter than 2 hours will have the same final exam slot as the earliest, once per week, 2 hr course whose meeting time includes the meeting time of the course in question. Examples: A 1 hr/wk course meeting M 08:30 AM - 09:20 AM has final exam code 1, matching the 2 hr/wk course meeting M 07:30 AM - 9:20 AM. A hybrid course with an in-class portion on T 02:30 PM – 03:45 PM has final exam slot 20, matching the 2 hr/wk course meeting T 02:00 PM - 03:50 PM. Check the [Approved Class Meeting Times](#) list to find the appropriate 2 hr/wk class time to match with the correct finals time on this list.

It is the student’s responsibility to consult the following schedule before registering to avoid an undesirable final examination schedule. Final examinations may not be changed unless approved by the Dean of the College under which the course is taught. If there is a conflict between the times of two or more of your finals, as posted in the grid below, please contact your instructors to make arrangements.

WHEN IS YOUR FINAL? Follow these guidelines:

1. Determine whether your class meets one day a week or more. LOOK ONLY AT THE LECTURE; not the lab, activity, or breakout portion. In most cases, laboratory times are not considered when creating the Final Exam Schedule. Please confirm with your lab instructor.
2. After determining whether the class is one day a week or more, find the time of your class meeting and its final exam time on the grid beginning on page 2.
3. If your class day and time are not listed, consult with the instructor.
