## Computer Support

- Is your computer running slower than normal?
- Having trouble connecting to our campus network?
- Experiencing virus/spyware related problems?
- Need some advice on fixing your broken laptop?
- Let us answer your computer related questions. Our services are completely free.. we're here to help YOU!

### Need to schedule some help with your computer?

Please fill out the computer support form at:  
<http://www.csusm.edu/sth/quad-uva/support.html>

## Online Gaming

- Get your video game consoles and other devices online by following these 2 easy steps:
  1. Find and write down your device's MAC address. Instructions for this step can be found at <http://www.csusm.edu/sth/quad-uva/mac.html>
  2. Go to <http://www.csusm.edu/sth/quad-uva/> and select either 'Game Console Authentication' or 'Quad TV Authentication,' depending on the device you want authenticated. Then, fill in the blanks and submit the form! Once you hit 'submit' we can usually have your device online within 48hrs!

These Services are completely FREE.. what are you waiting for?
