Our Mission Statement:

The San Marcos University Corporation provides facilities and services that enhance the student experience, build community, and support the University mission.

Our Vision:

The San Marcos University Corporation is vital to the university and student success. We are good stewards of our human and fiscal resources to achieve sustainability of facilities and services while planning for the future growth of the University.

We Value:

• A Participatory Team Environment
• Transparency
• Ethical Business Practices & Fiscal Accountability
• Continuous Learning & Growth
• Providing Outstanding & Innovative Services that support the Mission of the University
• Inclusion, Respect & Support
