Proposed change to the Global Supply Chain Management Option

Change MKTG 448 Global and Cross-Cultural Marketing from a 4-unit to a 2-unit course

Rationale: The Marketing Department changed MKT 448 from 4 to 2 units, a change that was agreed to by the Global Supply Chain Management Option. The complete rationale for the change to MKTG 448 is provided in the Marketing Option P2 form.

GLOBAL SUPPLY CHAIN MANAGEMENT OPTION

The business model for leading companies has significantly changed over the last ten years to focus on creating a seamless supply chain that will use company assets more efficiently, take cost out of the supply chain, and create value for the consumers. The Global Supply Chain Management Option emphasizes the understanding of the complexity of the global supply chain and the competence to satisfy consumer demand in the global marketplace by getting the right product to the right consumer at the right time at the right price in a cost-effective manner. The option provides students with knowledge of cross-disciplinary models and theories, as well as the ability to apply those concepts in today’s constantly changing marketplace.
