**Financial Statement and Affidavit**

California State University San Marcos does not have financial aid for international students and employment is rarely permitted. Therefore, you must present satisfactory evidence that you will have adequate funds to meet your financial needs when you enroll at the University. Please read the attached "Tuition and Costs" carefully.

If you are a J-1 Visa applicant, issuance of an IAP-66 requires that you submit a statement verifying sponsorship and financial support by an organization, institution or government. You must attach an original statement indicating that such sponsorship exists and will continue during your enrollment.

The following information is required for issuance of Form I-20. Please complete all details of the following statement. You and your sponsor, if appropriate, must sign the affidavit and have a bank certify that the funds stated are correct and available.

**Medical Health Insurance**

Because of the high cost of medical care in the United States, CSUSM requires all international students and scholars on an F-1 and J-1 visa to have adequate medical insurance in case of an emergency. Admitted students may purchase medical insurance coverage through the University before registration or from private insurance companies upon approval by CSUSM's International Student Admissions Office. This insurance coverage must meet the minimum levels determined by the "NAFSA" Guidelines.

International students must sign this agreement to obtain and maintain insurance coverage for health, medical evacuation and repatriation as part of their application to CSUSM.

If you are being sponsored and financed by an organization, institution, or your government, please attach a statement indicating that such sponsorship exists and will continue during your enrollment.

**Certification:** (READ and SIGN below)
I certify under penalty of perjury, that the foregoing statements and any other information submitted by me in connection with my application for admission are true, complete and accurate. I certify (swear) that so long as I am a student at this institution, I will advise the Office of Admissions and Records if there is a change in any of the facts such as the status of my visa or that of my spouse, or a change in my sponsorship. I authorize release of any information submitted by me in connection with my application for admission to any person, firm, corporation, association or government, whether federal, state, local or foreign, but only as necessary to verify or explain the information, to obtain pertinent records, or in connection with perjury proceedings.
