Campus Highlight

- Commencement is the annual ceremony in which students get to walk across the stage and graduate.

- Every year the Facility Services team plays a huge roll in helping to maintain the ceremony.

- This year alone, 26 members of the facility services team participated in running commencement.

- Responsibilities included passing out programs, operating the boom lift, picking up trash and recycling between ceremonies, helping maintain the handicap area, wiping down chairs between ceremonies, and more.

In the month of May the Facility Service Team finished 1,354 orders.

“No job is so important and no service is so urgent that we cannot take the time to do our work safely.”
