

ENVIRONMENTAL STUDIES

- This worksheet is intended for supplemental use only. The University will use your Academic Requirements Report (ARR) to track your graduation requirements, including those for your major. Please continue to check your ARR for accuracy.
- If your ARR requires a correction, please submit an ARR Correction Form at www.csusm.edu/academicadvising.
- All courses used for the major and preparation for the major must be completed with a grade of C (2.0) or higher.
- All non-articulated courses MUST be reviewed and approved by a faculty advisor.
- A minimum of 18 units counted toward the major must be completed at CSUSM.
- A Statistics course (PSYC 220, SOC 201, BIOL 215, or MATH 242) is highly recommended for students with relevant research interests.
- Additional general elective courses may be required in order to satisfy the University's 120 overall units requirement.
