Hi Carmen,

I spoke with Jodie, and we are both happy to support your course deletion. It makes perfect sense.

We would like to thank you for considering WMST, and for your thoughtfulness to keep us informed about deleting HIST 316.

**Subject:** HIST 316 will be deleted

Hi Veronica,

I wanted to let you know that the History Department wishes to delete HIST 316 **Gender and Authority in Medieval and Early Modern Europe**. We have not offered it in many semesters, and our new medievalist will not be offering it in the future. Since the course has not been offered much, I do not think that it's deletion will inconvenience Women's Studies majors! But it is important to notify you. I hope you will lend your support to this course deletion.

Thank you very much.  
Carmen Nava
