9. Reason(s) for deleting this course: The Women's Studies Department is undergoing a name change to Women's, Gender and Sexuality Studies. As part of that change the Department has thoroughly reviewed its current curriculum to make changes on the existing courses in order to reflect the Department's name change and to align better with it. The Department is also deleting courses that have never been offered, or that are no longer offered, or that will never be offered. That is the case for WMST 201: It has never been offered at CSUSM, and as it states on its course description, "It is listed for transfer-credit and course equivalency purposes". Equivalencies may be obtained with other existing courses instead of having this one, which has never been offered and will not be offered in the future either.
