9. Reason(s) for deleting this course:  The Women's Studies Department is undergoing a name change to Women's, Gender and Sexuality Studies. As part of that change the Department has thoroughly reviewed its current curriculum to make changes on the existing courses in order to reflect the Department's name change and to align better with it. The Department is also deleting courses that have never been offered, or that are no longer offered, or that will never be offered. It is also deleting courses that do not align with the new Department's name. That is the case for WMST 325. In addition, this course was offered exclusively by a professor who is no longer in the Department, therefore it will not be offered under the new Department's name.
