Dear Steve,

I know that I have already requested your approval for new course abbreviations for at least two other courses! I have one more (and hopefully the last one) for your approval consideration. It is WGSS 343 (currently WMST 343), Power and Gender in the Muslim World. I have attached the C2 form for this course to this message.

Thank you in advance for your consideration.

Have a nice week-end,
Veronica

Dear Kim,

As you know WMST submitted to CAPC a P-Form and many C2-Forms for each WMST to be changed to WGSS to match the new department name: Women’s, Gender and Sexuality Studies.

CAPC found out that the courses that I am attaching are also used by LBST. Hence, my message, asking you to review these forms for your approval. The courses that will be WGSS and that are WMST now have not changed other than the title and adding the words “gender” and/or “sexuality” to better align with the new name.

I thank you in advance for your consideration and support, and I look forward to hearing from you soon. Of course, if you have any questions, let me know.
