Dear Kim,

As you know WMST submitted to CAPC a P-Form and many C2-Forms for each WMST to be changed to WGSS to match the new department name: Women’s, Gender and Sexuality Studies.

CAPC found out that the courses that I am attaching are also used by LBST. Hence, my message, asking you to review these forms for your approval. The courses that will be WGSS and that are WMST now have not changed other than the title and adding the words “gender” and/or “sexuality” to better align with the new name.

I thank you in advance for your consideration and support, and I look forward to hearing from you soon. Of course, if you have any questions, let me know.

Veronica

Hi Veronica,

I am indeed ill with pneumonia but hopefully I am on the mend as it has plagued me since early January.

Please forgive me for overlooking your email. I am so embarrassed to hold up your process. I am also pleased to continue our cross listed course on women and health under your new prefix. I have copied Martha here as "official" notification. Best of luck to you with all the related changes!

Hello Sharon,

First of all, I hope that you are feeling better. We were told today by Darel, from CFA, at the Faculty CHABSS meeting that you were ill.

CAPC reminded me today that they were missing an approval from SOC and CRIM for WGSS 424, Women and Health (which is currently WMST 424). Nothing has changed other than the course abbreviation title to align with the new Department name.

When you will have a chance (and you will feel better), I would appreciate if you could let me know if SOC and CRIM approve the new course abbreviation on the title.

Wishing you well,
Veronica

Hi again Sharon,

Please, do not feel embarrassed for not responding right away. To be honest, I had forgotten about it until CAPC reminded me!

In addition, you are ill. I am so sorry Sharon. Pneumonia is not small thing. Please take care. And thank you so much for responding to me in spite of being ill.

Warm wishes,
