If you could send me an email letting me know that you lend your support to this abbreviation course change I would be very grateful. (You may also add your e-signature to the C2-Form if you prefer, and send it back to me, or both).

Hello Angie,

I am forwarding Bob Rider's approval for WGSS 445 new course abbreviation.

Thank you for adding his approval to the C2-form for that course.

I also dropped off the Dean's Office on Friday, Konane's approval for Anthropology. (She signed the C2-form).

I am only missing Rebecca Lush for WGSS 211 (LTWR). As soon as I will receive Rebecca's approval I will forward it to you.

Dear Kim,

As you know WMST submitted to CAPC a P-Form and many C2-Forms for each WMST to be changed to WGSS to match the new department name: Women’s, Gender and Sexuality Studies.

CAPC found out that the courses that I am attaching are also used by LBST. Hence, my message, asking you to review these forms for your approval. The courses that will be WGSS and that are WMST now have not changed other than the title and adding the words “gender” and/or “sexuality” to better align with the new name.

I thank you in advance for your consideration and support, and I look forward to hearing from you soon. Of course, if you have any questions, let me know.

The course that I am attaching, WGSS 445, Gender and Development, is used by ENVS. Hence, my message, asking you to review this form for your approval. The courses that will soon-to-be WGSS and that are currently WMST, have not seen any major changes other than the titles, and adding the words "gender" and/or "sexuality" to better align with the new department name.
