Hi again Joely,

I was wondering if you had the time to view the proposed ENVS course I sent your way. I have attached the documents for ENVS 301 "Place and Power" and ENVS 340 "Environmental Justice" to the email. Please let me know if AIS approves of the course and I will pass it along to UCC. Thanks!

Gabriel

Subject: ENVS Course Approval request

Hi Joely,

My name is Gabriel Valle and I teach in the Environmental Studies department. As a growing major, my job has been to develop new courses to fit our demand. I have currently submitted several courses for review to UCC. Recently, the committee ask for your approval on two of those course "Place and Power" and "Environmental Justice." I have attached the syllabi and C-forms for each course for your viewing. Please let me know if you approve and I will pass that along to UCC.

Thank you
Gabriel
