Hi Shahed

ES 100 is not a course that Geography has any control over so I am not sure. But I would assume so because geography students are not the only students who take that class.

Subject: UCC: Geography minor

Hi Greig,

UCC reviewed the Geography minor P-2, and its associated courses, last Monday. We just had a couple questions:

- Will ES 100 continue to be offered? We ask because of students with older catalog rights.
- Could you obtain an email of support from ANTH? The reason is the inclusion of ANTH 200 in preparation for the minor.

As always, please let me know if you have any questions!

Best,

Shahed
